Dear Jeffrey,

Congratulations! The Nevada State Education Association is pleased to endorse your campaign for Clark County School Board Trustee District B.

NSEA has been the voice of Nevada educators for over 100 years, and we have a long and rich tradition as the respected voice for public education in Nevada. NSEA represents teachers, other licensed personnel, education support professionals, retirees, and student program members in every Nevada county. Educating students is what we know, what we do, and what matters most to us.

Public education is the basis for a strong and healthy society. We believe it is critical we invest in our schools, educators, students, and communities. We look forward to working with you to ensure a high-quality public education for every Nevada student.

Sincerely,
