

Nevada Democratic Education Caucus

July 29, 2020

Dear Jeff Proffitt,

I am pleased to inform you that the Nevada Democratic Education Caucus (NVDEC) has endorsed you for Clark County School District Trustee in the 2020 General Election. Our membership consists of proud public school educators, their families, and allies. The NVDEC will organize and work with educators, students, and public education allies to elect and work with Democratic leaders to positively impact Public Education.

Your relationship with the community and advocacy for Nevada's students, educators, and families demonstrates your ability to understand the uniqueness of education needs and your commitment to support those needs.

It is because of your proven commitment to education and our expectation that you will continue to support public education in the future, the NVDC has endorsed you.

We appreciate your efforts and look forward to working with you to support education initiatives in the future.

Respectfully,
The Nevada Democratic Education Caucus
